BLUE RIESLING TROCKEN 2021

Mosel, Germany

Blue Riesling reflects the “house style” of dry Riesling. Its mineral character and elegant, dry style are the key markers. This wine displays a stone fruit notes, such as white peach along with pineapple and granny smith apple that mix with a delicate minerality (due to the blue slate) that leads to a long, elegant finish. Enjoy with salads, fish, white meats or as an aperitif.
