It is hard to imagine a more classic Alsace dry riesling than this masterpiece of finely-chiselled elegance. So many candied citrus and citrus blossom nuances. Stunning balance on the medium-bodied palate with more than enough structure for long aging. Very racy finish with notes of wild herbs and fresh almonds...From organically grown grapes... -J.S.

...The merest whisper of passion fruit alongside vivid notions of citrus zest. Ripe lemon is at the front and carries right over to the taut palate. This is textured and focused on purity and drive. The palate is compact, bundled and bullet-like... Concentration, profound depth, chalky coolness and stony austerity that, with age, will only gain in profundity. For adults only. Wow. (Bone-dry) - A.K.
