APRIL 2023

This elegant, medium-weight dry riesling is brimming with white tree fruit aromas plus notes of spring blossoms and garden herbs. You can't fault it for charm, but neither can you for balance and structure. Long and bright citrusy finish. From old vineyards in Ribeauville and Bergheim. From organically grown grapes... -J.S.

...A touch of reductive smoke informs the subtle tangerine scent on the nose. The palate has a lovely taut stoniness and gentle smiles of Mirabelle, focus and depth. It strikes a beautiful balance and glories in freshness. This will shine with age. (Bone-dry) -A.K.

A rich, creamy style, with nice roundness to the peach, sun tea and subtle tropical notes. Offers good concentration on the palate, with verbena-laced acidity and crushed flint echoing through the steely, persistent finish... -K.B.

Here is a linear style with great focus on its yuzu, pineapple and lime flavors, while an earthy element glides along the edges. Fine and silky, with a salty crunch marking the well-executed finish. -A.Z.
