... Bright red and black cherry scents with earthy depth lead to a silky-soft, vibrant palate full of succulent cherry fruit. The mid-palate is stony and shows good fruit sapidity, while the finish is long, spicy and fresh. Excellent balance and incredibly energetic. – J.B.

A medium-bodied red with fresh red berry aromas and flavors, adding floral, citrus and mineral nuances as it progresses. The tannins are very fine and almost chalky, soaking up more and more fruit on the ever-expanding palate. Long finish. This is a very graceful and well-crafted Valpo... Very expressive... –J.S.

...Quite pretty, wafting up with nuances of rose petals and dried strawberries. It's softly textured, and a saline core of minerality adds a savory flair as tart cherry fruit cascades across the palate. Inner violet and lavender tones resonate... Remarkably fresh. – E.G.
