NOVEMBER 2023

Strawberry candy, watermelon and rose petals are first on the nose of this salmon-pink Sicilian rosato, then sanguine notes of sweet blood orange and finally savory aromas of sun-kissed, salty stones and wild oregano emerge. The silky, strawberry jam palate is cut through with salinity and acid for a refreshing contrast.—D.C.

MAY 2023

The 2022 Rosé is spicy, blending crushed stone with a grapefruit and young kiwi spritz. This is round and silky in feel, gaining a more tactile edge as saline minerals settle in. The 2022 finishes incredibly fresh, leaving behind tropical melon and a gentle tug of sour citrus tension. - E.G.
