

SAGET LA PERRIÈRE

LA PETITE PERRIÈRE

PINOT NOIR 2022

Vin de France, France

The fairly powerful nose exudes notes of morello cherries and red berries, which are followed by an array of spice and vanilla aromas. This luscious, well-balanced wine is lovely and light on entry to the palate where it replays the fruity and spicy notes found on the nose.

Pairs well with charcuterie, white meat and cheese.

100% Pinot Noir
