This is very complex with aromas of dark berries, plum skins, toasted spiced, grilled thyme and crushed walnuts. Some earthy and tarry nuances, too. Full-bodied with solid, nicely crafted tannins running the whole length of the wine, carrying subtle juicy fruit and steady acidity. Long and balanced. Drink or hold. – J.S.

This is one of the icon wines of southern Italy... This wine is indeed quite heavy and big-boned with charred spice, campfire ember, toasted oak, baking chocolate and baked, plummy fruit. This vintage is broad and rich... -M.L.
