A certified organic wine... has dark fruit and blackberry with hints of green tea or forest floor at the back.. This vintage saw a cool, rainy spring and a hot summer, and the wine reflects some of the spicier notes linked to the cooler months as well as the ripe tones that come with higher temperatures... a unique hybrid... - M.L.

...Expressive notes of spice, leather and tobacco infuse Italian prune plum and cherry. Quite a substantial 2018, this is dense and amply extracted with a savoury palate. It will be best at the dinner table, perhaps alongside wild boar ragu. – M.M.

This is red-fruited with notes of cedar, walnut and leather. Some wet earth, too. Medium body. Spiced and a little tight on the palate with chalky tannins and crunchy acidity. Polished finish. From organically grown grapes... -J.S.
