TERROIR & VINTAGE NOTES

The Alta Luna vineyards are situated along the foothills of the Adige Valley, bordering Trentino and Alto Adige, in the town of Roverè delle Luna. These high-altitude vineyards benefit from an ideal aspect and unique, well-draining glacial-alluvial soils. The climate in this region makes all the difference. Northern Trentino enjoys warm temperatures in the summer, contributing to the development of ripe concentrated fruit and elegant aromatics, while the cool evenings maintain the fruit's acidity: the result are wines that are refreshing and well-balanced.

WINEMAKING

Grapes are late harvested in the second half of September and are of limited yield. Whole clusters are crushed and undergo a cold maceration for 12 hours in contact with the skins.

TASTING NOTES

Pale straw yellow color. Sage and elderflower are present on the nose. The palate offers flavors of lime, green apple, passion fruit, and white peach. Excellent as an aperitif, ideal with vegetable dishes or fresh fish.

WINEMAKER

Anselmo Martini
