...Deeply alluring, with a peppery flourish of spice and florals that gives way to steeped plums and clove. This is silky-smooth and more lifted and elegant than previous vintages, with tart raspberry and sour cherry offset by inner earth tones and hints of citrus... Potent and staining, yet its tannins are chalky and sweet, creating a structured yet welcoming finale. This is an incredibly pretty and deeply satisfying rendition of Didacus Cabernet Franc. -E.G.

...Currant and fresh and dried herb character here. It's medium-bodied with bright fruit and a chewy, juicy finish... very varietal. Cabernet franc... -J.S.
