PASSITO DI NOTO DOC 2020

Sicily, Italy

...Captivates with a rich blend of spiced blood orange and lemon curd complicated by savory herbal tones and white smoke. This soothes with its weighty, silken textures while mixing sweet and sour through a blend of saline-tinged acids, sour citrus and sweet tropical melon. While long and potent, the 2020 remains impossibly fresh, leaving candied lime and Sour Patch green apple to linger on and on. -E.G.
