SEPTEMBER 2020

The merest touch of reduction flickers on the nose of this wine... The palate, however, reveals a bright, flowing texture that unites chalkiness and creaminess, creating a gracefulness that draws you to the wine's stony, cool depth. It's lovely and long. Drink 2025–2035.– A.K.

Lemon cake, apple and white flower aromas and flavors are woven into the supple fabric of this vibrant white. The lively structure keeps this focused and fresh, while the lingering aftertaste of citrus, spice and mineral shows detail. Best from 2021 through 2028. –B.S.
