APRIL 2020

This wine's sweet, sunny citrus flavors add to its warm glow. It's clean and orange-zesty up front, then nutty in the end, with acidity putting an earthy chill on that sunniness. Think of crocuses surrounded by snow in the spring, then wait a while for the fullness of summer to come. – T.T.

OCTOBER 2020

This white shows some weight and heft to the peach, lemon, oak spice and stone flavors. Balanced and persistent, following through to the citrus- and spice-infused finish, with fine cut. Drink now through 2025. –B.S.
