This shows a hint of warm cast iron amidst a core of juicy plum and black cherry fruit, finishing with light sanguine and bay accents on the succulent finish. For fans of slightly sauvage Syrah. Drink now through 2023. — J.M.

Very glossy and gently meaty nuances here with a briary red-fruit core. The palate has a succulent, juicy and very attractive feel and a sleek, fresh, crisp and inviting palate. Drink now. — J.S.
