

Handcrafted Wines

THAT REFLECT OUR UNIQUE LANDSCAPE & HERITAGE

For over 900 years the Margrave family has been an integral part of the establishment of the wine industry in the county of Baden and thus has been named after them. Their link to local wine history is a core part of their heritage and today is the motivation and inspiration to build for the future- reflected in the family motto: "Fidelitas" — Loyalty!

- A 900 Year family tradition- with H.R.H. Bernhard Prince of Baden being the custodian and owner today
- Our wines are classified as VDP- The "Grand Cru" classification for German wines
- The vineyards benefit from similar climatic conditions, terroir and wine heritage as Burgundy
- The sunniest and warmest wine producing area of Germany
- Markgraf Von Baden has one of the longest recorded Riesling traditions in Baden- Since 1782
