Very pure notes of red cherry fill the nose. The same pure fruit is framed by bright, luminous freshness on the palate, which echoes in flavors of cherry, pepper and licorice. An aromatic, fresh and vivid Pinot made with a light touch. – A.K.

This bright red is light- to medium-bodied and well-knit, with trim tannins framing flavors of raspberry and pomegranate fruit, anise and graphite, revealing a hint of citrus peel on the minerally finish. Drink now through 2023. – A.N.
