Intense notes of crushed red cherry and fruits of the forest dominate the nose. The slender and refreshing palate presents those same cherry and berry notes in a streamlined, almost taut fashion. This wine is fresh, linear and very elegant, with lovely balance on the finish. – A.K.

There’s quite an idiosyncratic note here of dried hibiscus and fruit tea. The full-bodied palate comes in a juicier, riper style with a softer serving of acidity. Good length and complexity though. Drink now. – J.S.

Rich aromas and flavors of red cherry and blueberry plus hints of Asian spices and iron. Clean, fresh and juicy, showing lovely weight and precision, not to mention very good cut. Closes long, with lingering spice and stony notes. – I.D.
