...Fresh, juicy and deep, offering black and red cherry aromas and flavors. Full-bodied, rich and round, delivering a creamy mouthfeel on the seriously long finish... Extremely impressive and very promising, with Volnay-like characteristics.... – I.D.

A glint of wild raspberry appears before tart, red-cherry notions take over on the nose of this wine. The palate brims with freshness and concentration of flavor, with a tender grip from faint, silky tannins. The finish is dry and appetizing.—A.K.
