"R" DE ROQUEFEUILLE 2016  
CÔTES DE PROVENCE

#### BACKGROUND

The unique terroir of Provence is perfectly expressed in each Roquefeuille wine.

When acquired by the Berenger family in 1976, the domaine included approximately 50 acres. Today, the Roquefeuille estate encompasses approximately 250 acres in the heart of Provence at the foot of Mount Olympe, the Monts Aureliens and at the South of the Sainte-Victoire valley, the terroir includes clay and limestone. Practically all the vines are exposed to the region's bright sunshine in order to optimize the grapes maturity. The estate practices minimal intervention in order to preserve the domaine as well as the environment.

The terroir is a mix of clay and limestone, sand and loam.
