JULY 2017

Some austerity but some worked fruit comes through, too. Needs time, but very good concentration and very classic. —J.H.

Crisp, crunchy, dark red and black cherry fruits on the palate. Powerful, structured, less softness and initial pleasure here but has considerable aging potential. —A.H.

Fresh bright purple, with good combination of fruit and oak on the nose. Superb weight on the palate, raspberries to the fore, good acidity very well integrated with the fruit, excellent length. Bravo! —J.M.
