MARCH 2019

...A dense, fluid but toned body that is like a flowing river of velvet. Cherry notes have aromatic insinuations of something deliciously coniferous as well as cinnamon overtones of carefully handled oak. This is such a mellow, velvety rendition of Zweigelt, without an ounce of fat. Simply beautiful. – A.K.

DECEMBER 2015

...Opens with a warm, very intense and concentrated but lovely, pure aroma of super ripe cherries and plums along with finely grained white pepper flavors. Silky textured and highly elegant... has a lovely fruit intensity, very fine tannins and an aromatic finish displaying sweet black berries and cherries... also violets in the aftertaste. Excellent and worth a try. –S.R.
