CHÂTEAU DUHART- MILON

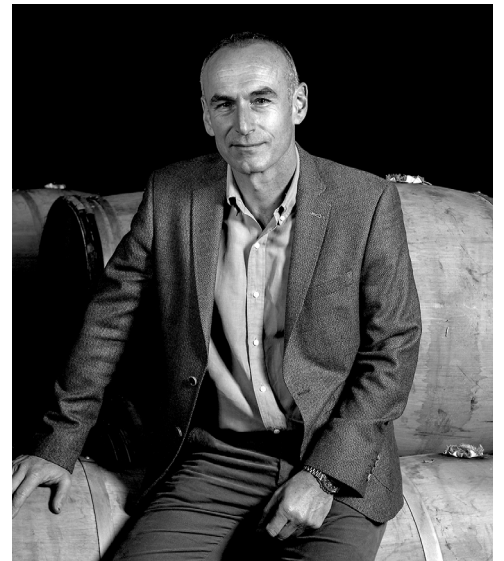

BORDEAUX (PAUILLAC), FRANCE

The Rothschild family acquired Château Duhart-Milon, a “4ème Cru Classé” in the 1855 classification, from the Castejas of Pauillac, in 1962. The property was named after the Sieur of Duhart, gun-runner to Louis XIV, who originally owned the property, and from the name of the little hamlet of Milon which separates

the Duhart-Milon vineyard from that of Château Lafite. The vineyard covers 188 acres and is planted with the classical cépages of Médoc: Cabernet Sauvignon (67%) and Merlot (33%). The property has been managed since 1962 by a single team that, due to the proximity of the two properties, oversees both Château Lafite Rothschild and Château Duhart-Milon. Both Châteaux use the same traditional techniques based on strict control of yields, harvesting by hand, and numerous manual tasks throughout the year.

- A Château full of character situated in Pauillac, Duhart-Milon is sometimes referred to as the rebellious younger brother of its neighbor, the prestigious Château Lafite Rothschild.
- Free and bold, the personality of Duhart-Milon is a reflection of this land where only the most expert winemakers can tame it, to forge uncompromising wines with a raw elegance.
