Intense, with ginger, yellow apple chutney, dried pineapple and papaya flavors coursing through a finish that brims with singed almond and lemon chiffon flavors. This retains a touch of youthful rawness, featuring a bitter orange note... - J.M.

APRIL 2022

...A lifted patisserie, almond-scented bouquet, touches of wild peach coming through with aeration... Well balanced with a very unctuous entry, powerful and intense, almost heady in style with a persistent finish that coats the mouth. What a fabulous Sauternes.. -N.M.

JANUARY 2017

...An absolute dream. There is wonderful precision and mineralité on the nose... The palate is beautifully balanced with clear honey, brioche and pralines, a sensual Rieussec that is utterly charming, hints of nougat and almond lingering on the long finish. Gorgeous! - N.M.

Layers of complex botrytis give this wine an immensely aromatic character. It is sumptuous and generous, ripe and full-bodied. The essential acidity comes through the dry structure of botrytis and sweet honey... -R.V.
