DECEMBER 2020

Inspirational depth with botrytis spice, toffee, dried-apricot and sponge-cake character. Full-bodied, very sweet and lively with a long, endless finish. Lively acidity balances the wine. Tight and linear. Compact column of fruit and botrytis. Give it age. Better after 2026. – J.S.

MARCH 2020

Intense and richly sweet, this wine is also balanced, with both botrytis and baked-apple acidity coming through. This essential dryness gives the wine a dense core and aging potential. A high proportion of Sémillon adds its weight at the end. Drink from 2020. –R.V.

MARCH 2020

Delivers some rare floral lift for the vintage, with a honeysuckle edge out front, pulling creamed mango and papaya notes along. Flashes of green tea, hazelnut and piecrust emerge on the finish... nice detail buried within... Drink now through 2035. –J.M.
