JANUARY 2022

...Compelling from start to finish... The 2019 is the first vintage that will be offered in a stylish new bottle... very modern presentation, which shows a more playful side of Sauternes that might just work in creating a bit more excitement around these wines. –A.G.

...Quite modern in profile with freshness and energy... Expressive and open flavours of honeyed lemon, orange rind and pineapple well wrapped in a viscous, rich, sumptuous and seductive layer of sweetness... A new, fun bottle was introduced for this vintage... - G.H.

SEPTEMBER 2020

...Fresh grapefruit, lemon curd, lime leaves and clover honey with wafts of jasmine, white truffles and nutmeg.. Layers of apple and citrus fruits with loads of savory accents, framed by refreshing acidity and a seductively oily texture, finishing on a lingering honey-nut note. – L.P.B.

FEBRUARY 2022

This is so delicious, with a medium body with medium sweetness. Dried mango and pineapple, as well as some vanilla. Bright and fresh. Lighter than some years. Yummy. Tarte-tartin. Love the new bottle. Drink and enjoy. -J.S.
