This offers the best of both sides of Pauillac, with a deep, deep well of dark currant, fig, blackberry and black cherry paste flavors forming a lush side while a series of I-beams made of graphite and iron provide the rigid structure. The two sides meld, pulling in extra sweet tobacco, smoldering cast iron, juniper and savory notes on the finish, leaving a mouthwatering feel. A real stunner. Best from 2025 through 2045. - JM
