

IL PALAGIO

"ROXANNE" BIANCO TOSCANA 2016

BACKGROUND

"Il Palagio is like stepping into a painting. And one of my favorite places on Earth. I hope you fall in love with it as much as I have."
– Sting

Villa Il Palagio estate lies amid the rolling hills of the lush, fertile Tuscan countryside south of Florence. The private home of Sting and his wife Trudie Styler, this truly remarkable sixteenth-century estate has been totally renovated and includes: 65 acres of vineyards, 8,000 olive trees and 80 bee colonies amongst numerous other agricultural endeavors. All wines produced at Il Palagio are organic and certified by BioAgricert.
