CHÂTEAU ROQUEFEUILLE

ROSÉ IN THE AIR 2017

CÔTES DE PROVENCE

BACKGROUND

The unique terroir of Provence is perfectly expressed in each Roquefeuille wine.

When acquired by the Berenger family in 1976, the domaine included approximately 50 acres. Today, the Roquefeuille estate encompasses approximately 250 acres in the heart of Provence at the foot of Mount Olympe, the Monts Aureliens and at the South of the Sainte-Victoire valley, the terroir includes clay and limestone. Practically all the vines are exposed to the region's bright sunshine in order to optimize the grapes maturity. The estate practices minimal intervention in order to preserve the domaine as well as the environment.

The terroir is a mix of clay and limestone pebbles and sand caused by erosion from Mount Sainte Victoire.

APPELLATION

Côtes de Provence, France

VARIETAL COMPOSITION

Grenache 55%, Cinsault 25%, Syrah 15%, Vermentino 5%

WINEMAKING & VINTAGE NOTES

2017 was characterized by a dry summer which resulted in a slightly earlier harvest beginning on August 28th and finishing on September 20th. The weather was mild during the harvest period which allowed for grape selection at optimum levels of ripeness.

The wine is meticulously crafted within the domaine's wine cellar by employing non-oxidative vinification methods which greatly contribute to high quality production. The grapes undergo direct pressing and a cold-maceration. The cave is separated into two distinct parts—one for the red wine fermentation and the other for the elaboration of the rose and white wines.

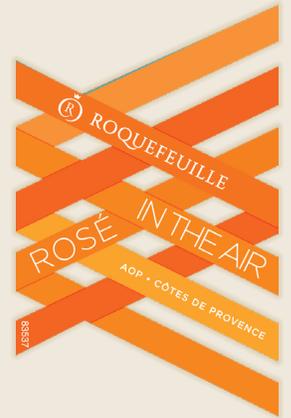

AGEING

The wines are fermented for 10 days at 18° C.

TASTING NOTES

Very clear with shades of peach. An intense nose with delicate aromas of white flowers and white peach. A second nose unveils spicy notes as well as scents of clementine. On the palate, round with notes of citrus fruits and a slight and healthy final acidity. Ideal as an aperitif, with seafood, Asian or Mediterranean dishes.
