BACKGROUND

Fruit-friendly, youthful and dynamic, Callia produces a range of easydrinking wines in the San Juan region of Argentina. Callia's philosophy is to produce wines that inspires the consumer to find some "me" time; to take a break and reward themselves for all their daily efforts that propel them forward.

TERROIR & VINTAGE NOTES

Bodegas Callia is situated in the Tulum Valley in Argentina's province of San Juan. It is nestled between the Pie de Palo hills to the north and the Cerro Chico Del Zonsa to the south. Two finca estates encompass 700 acres of land: Finca Pie de Palo and Finca 9 De Julio. At 2066 feet above sea level, the area is blessed by temperate climate, low rainfall and rich sandy alluvial and clay loam soil; the result is intense and fruity wines that reflect the rich terroir of this region.

WINEMAKING

Harvest started in early March. Grapes were hand-harvested and immediately sent to the winery to achieve optimum conditions. After crushing, a prefermentative maceration occurred at 53°F for 48 hours. Alcoholic fermentation took place between 75°F and 79°F, over 11 days, with the addition of selected yeasts

AGEING

30% of this blend was oak aged for three months, 50% in French Oak and 50% in American Oak.

TASTING NOTES

Intense red color. On the nose, fruit aromas are combined with spiced aromas. On the palate, it is sweet and rounded with noticeable but very mild tannins that make it very delicate and easy to drink.
