OCTOBER 2021

The purity of the cherry and berry fruit in this red is impressive, as are the dense, dusty tannins providing backbone. This is fresh too, with supporting flavors of flowers, leather, iron and tree bark, showing excellent length. Best from 2023 through 2038. – B.S.

Blackberries, currants, sage and mint... elegant and polished... a burst of ripe dark fruits... firmed up by fine yet saturating tannins. The opulence found within is seductive...heroic structure... youthfully cheek-puckering with hints of licorice and minerals... simply stunning, with over a decade of positive maturation. – E.G.

JANUARY 2020

...A beautiful wine and one that has enthusiastically embraced the deep warmth and golden sunlight of the vintage... This is no doubt the best vintage... Black fruit aromas cede to richer tones of spice and dark chocolate with very subtle hints of candied cherry or baked blackberry. – M.L.

JULY 2021

Lots of ripe fruit with currants, black chocolate and plums on the nose and palate. Full body, ripe tannins and a flavorful finish. It's tannic, polished and tight. From organically grown grapes. Give it two or three years of bottle age. Try after 2022. – J.S.
