JULY 2017

A pure expression of Pinot Nero (vinified off the skins to make a white wine), the 2009 Trento Metodo Classico Perlé Nero Riserva Extra Brut offers structure and power. This is a full-bodied sparkling wine that opens to intense aromas of dried fruit, wild berry, crème caramel and oven-fresh croissant. The wine leaves a long trail of freshness and fruit intensity that is spurred forward by the fine and elegant quality of the perlage. - ML
