FEB/MAR 2020

Exotic spice, rose, eucalyptus and red-berry aromas are front and center on this perfumed red. It's loaded with finesse and tension, delivering Marasca cherry, cranberry, licorice and clove while a mineral note... adds depth to the finish. Firm acidity and tightly knit fine-grained tannins provide structure and balance. —K.O.

Delicious, glazed red cherries, creme de cassis, boysenberries, dried oregano and pine cones here. The full-bodied palate has a chiseled feel, where the tannins are very tightly strung, holding vibrant red and blue fruit, and the finish is long and savory. Drink from 2023. – J.S.

JAN/FEB 2020

Cherry, plum, tobacco and wet earth aromas and flavors are accented by a light touch of oak spice in this rich, well-defined red. A mesh of light tannins underlines the finish. Though approachable now, this should age well. Drink now through 2032. – B.S.
