Mellow, featuring ripe, fading plum and cherry flavors, augmented by licorice, leather and spice notes. Rich and focused, with a long aftertaste of spice and savory. Very complex and velvety. Drink now through 2025. — BS

Raspberry-compote and fruitcake aromas mingle with balsamic notes of eucalyptus. The aromas follow through to the enveloping, full-bodied palate together with licorice, baking spice, toasted almond and pipe tobacco before an iron finish. Velvety tannins give it a creamy elegance. Drink through 2029. —K.O.

Really balsamic with touches of soy sauce and wet earth, making this rich red with generous, supple tannins very distinctive. The finish is polished and surprisingly delicate. Drink or hold. — J.S.
