Dark spice, crushed rose, Alpine herb and mature berry aromas appear in the glass. The structured, elegant palate delivers dried Marasca cherry, cranberry, licorice and tobacco set against firm noble tannins. Fresh acidity lends balance. - K.O.

Tons of cooked plum and candied orange peel here, but also tea-leaf and balsamic notes. Powerfully tannic, but with enough richness to cover all the structure. Bold, rather than subtle. Drink now. - J.S.

...Offers the chance to enjoy the flavors of mature nebbiolo without the wait. It tastes of dried cherries and roasted fennel, damp leaves and soft tobacco, the flavors framed in leathery tannins. Pair it with a wild mushroom ragù to accentuate the wine's earthy appeal. - S.J.
