TERRE RARE CARIGNANO DEL SULCIS RISERVA DOC 2012

OCTOBER 2016

Rich and almost sweet red fruit and spices on the nose and palate. Sweet and creamy on entry, then slightly tough with noteworthy tannic bite, but there's enough fruit lurking beneath the tannic cloak... All this really needs is a little time in the cellar/bottle. Very serious Carignano wine ... Something more interesting, bigger and more structured than usual. – I.D.
