...Rich and sweetly spiced, leading off with tropical fruit notes of mango and kiwi, then evolving to show dried apricot with zests of lemon. The textures are silky with a contrasting mix of saline-minerals, acids and sour apple that creates a vibrant and mouthwatering expression. Notes of ripe peach and hints of mint leaf linger, which makes for a very pretty finale. —E.G.

...Based on chardonnay and sauvignon blanc blended with smaller amounts of gewürztraminer and riesling. Heady with scents of clove, rose petal and litchi, it has a honeyed richness and notes of ginger, tarragon and cured meat. It's a bold, spicy wine that would complement roasted pork or spicy Thai noodles. —S.J.
