FRAPPATO, VITTORIA DOC 2016

Sicily, Italy

JUNE 2019

Frappato culled from vines growing in Vittoria's red sandy soils macerates for just one week to achieve this wine's translucent ruby color. The wine ages for six months in stainless steel, allowing the flavors of early summer strawberry and seeded raspberry to take center stage. Lightly smoky, it would pair well with poultry or pork off a charcoal grill. - S.J.
