POINTS

DECEMBER 2018

Rich, opulent and round, this is a full-bodied Sicilian Chardonnay (made in limited numbers)...Aromas of candied orange peel, toasted almond or pistachio, white licorice and crushed sea shell... This is an important, age-worthy white wine. – M.L.

OCTOBER 2018

This is a very opulent white with mango paste, sticky rice, papaya, vanilla, cloves and smoke. Full body, some acidity and a fruit-forward finish. For this kind of decadent style of chardonnay, the formula has been followed to a tee. Drink in 2020. – J.S.

APRIL 2020

A golden-hued white, medium- to full-bodied and fragrant, offering a lovely range of baked apple and persimmon fruit, honeycomb, dried mint and orange rind aromas and flavors. Sleek acidity and a streak of salinity focus the fresh, lingering finish. Chardonnay. – A.N.
