COMETA FIANO, SICILIA DOC 2017

DECEMBER 2018

The 2017 Sicilia Menfi Cometa...is not quite full-bodied, yet its texture and fiber are loosely knit and significant. The bouquet offers aromas that are typical to Fiano, such as honey, pear and Golden Delicious apple. As the wine is allowed to warm in the glass, it becomes more generous and articulate with beautiful complexity that is fluid and ever changing with each swirl of the glass. – M.L.
