COMETA FIANO, SICILIA MENFI DOC 2019

Sicilia Menfi DOC, Italy

NOVEMBER 2021

...Fiano is simply radiant and lusciously rich in this medium-bodied expression... nicely concentrated and flavorful fruit of apricot, honey and baked pear. Only 10% of the wine sees oak, but that's more than enough to render the extra depth and soft textural richness that puts this wine a cut above the other more one-dimensional interpretations of this indigenous Italian grape. —M.L.

...Dried peach and nectarine, crushed almonds, fennel and gorgeous yellow florals join the mix with time in the glass. This is soft and lifted, as an inner flintiness gives way to savory baked apple and wild herbal notes... Already provides a lot of pleasure, but the best is yet to come. This is a serious glass of Fiano. —E.G.

Aromas suggesting pressed chamomile flower, dried botanical herbs and hazelnut waft out of the glass. Rounded and medium-bodied, the palate offers ripe golden apple skin, lemon zest, saline and bitter almond alongside tangy acidity.—K.O.
