

FERRARI

RISERVA LUNELLI 2006

Trentino, Italy

93
POINTS

MAY 2016

Here's a new take on the storied wines of Ferrari from Trentino in the far north of Italy. This is a tight and steely wine with a very dry personality and sharp, tonic effervescence that feels prickly on the palate. White peach, pear and spring flower appear on the delicate bouquet. Ultimately, this wine offers more in terms of mouthfeel thanks to its focused and delineated personality. Subtle tones of baked bread and toasted almond also appear at the back. - ML
