AUGUST 2020

A very polished, fine-tanned Barolo with energy and focus. Plenty of plum, strawberry and cedar character. It's full-bodied, yet tight and refined. Racy finish. A beauty. One of the best... Drink after 2022 and onwards. – J.S.

APRIL 2021

Aromas of red woodland berry, menthol, rose and an earthy whiff of tilled soil are front and center on this lovely red. The vibrant, elegant palate doles out strawberry compote, star anise and baking spice, alongside taut, polished tannins. –K.O.

Fruit from all of Barolo's eleven communes combines in this juicy Barolo. Supple tannins frame flavors of ripe cherry and licorice, making the wine approachable in its youth. – S.J.
