SEPTEMBER 2015

The intensely citrus-colored wine opens with an intense, clear and concentrated nose of rose petals, spices and lemon confit. Concentrated, very piquant and stimulating, this is a sweet, dense and concentrated, but piquant, Gewurz with a gorgeous tannin grip. – S.R.

A luscious, ethereal take on apricot preserves, this is gracious in its honeyed sweetness, and complex in its cool layers of lemon and orange acidity. It will add depth to a savory apricot tart. – J.G.

Wonderfully dense and vibrant in the mouth, offering strong flavors of ripe grapefruit, canned peach, marzipan and white flowers. Highly complex, chewy wine with a very pure, long finish featuring orange marmalade and lemon oil nuances. – I.D.

A lightly sweet version, with candied blood orange and pink grapefruit granita notes accenting the guava and smoke flavors. Light-footed and finely balanced, delivering a tangy, petrol-tinged finish. A fine effort for the vintage and grape variety. Drink now through 2021. – A.N.

A wine with dried apple, mango and spice character. Hints of dust and concrete too. Full-bodied and off dry with plenty flavor at the finish. – J.S.
