NOVEMBER 2012

The 2011 Gewurztraminer Vendanges Tardives opens clear, fresh and concentrated on the nose, with smoky grapefruit flavors. Rich and elegant on the palate, this is a rich, sweet, elegant and finessed Gewurz with fine tannins, lingering salinity and tension. This is a great Gewurz. – S.R.

Deep but reticent aromas of tropical fruits and spices. Precise and clean in the mouth, showing lovely balance to the complex flavors of tropical fruits, vanilla, candied ginger and lichee. The long finish displays persistent spiciness. – I.D.
