

DOMAINE DE LA BELOUSE

BOURGOGNE ROUGE PINOT NOIR 2017

BACKGROUND

The Domaine de la Belouse estate was settled in 1970 with just one hectare of wine crop around La Roche Vineuse and Saint V erand (South Burgundy). Since then, the vineyard has progressively grown to the current 38 hectares.

In 1999, the winery was built with new temperature-controlled oak barrels and stainless steel vats. Two pneumatic presses and a bottling line have completed the fittings. In 2008, a new wine cellar and an oak barrel cellar were created to increase the overall storage capacity.
