

# DOMAINE DE LA BELOUSE

## BOURGOGNE ROUGE PINOT NOIR 2017

### BACKGROUND

The Domaine de la Belouse estate was settled in 1970 with just one hectare of wine crop around La Roche Vineuse and Saint V rand (South Burgundy). Since then, the vineyard has progressively grown to the current 38 hectares.

In 1999, the winery was built with new temperature-controlled oak barrels and stainless steel vats. Two pneumatic presses and a bottling line have completed the fittings. In 2008, a new wine cellar and an oak barrel cellar were created to increase the overall storage capacity.

### APPELLATION

Bourgogne Rouge AOC

### VARIETAL COMPOSITION

100% Pinot Noir

### WINEMAKING & VINTAGE NOTES

Vines are planted on chalky clay soils with stones with ideal sun exposure. Yields are kept low to enhance concentration. A cold maceration is followed by a cool, slow fermentation. Malolactic fermentation in stainless-steel tanks is followed by hot pressing.

### AGEING

The wine is aged for six months on the lees in stainless-steel tanks.

### TASTING NOTES

Ruby color. Red and black fruit aromas on the nose, and a supple, silky palate. Pairs well with red meats, game and cheeses.
