Exuberant and energetic with apple tart, caramel and nougat. Cream, too. Full-bodied but not heavy with so much flavor and intensity. Great finish. White pepper and spices like nutmeg. Dried ginger. Really spicy and energetic... – J.S.

...Broad and densely packed, with a velvety texture and powerful orchard and pit fruit flavors that pick up a toasty element with aeration. Distinctly rich yet surprisingly lively as well, finishing with strong mineral cut and excellent floral persistence. – J.R.
