SEPTEMBER 2017

Sleek acidity sculpts this well-meshed white, which offers a minerally under-pinning and flavors of crunchy white peach, mandarin orange peel, fresh herbs and spice, set on a light-bodied frame. Drink now through 2023. — A.N.

Bright aromas of grapefruit, orange blossom, mint and spicy herbs. Juicy and fresh, offering crisp green and white stone fruit flavors lifted by hints of orange peel and lavender. Finishes long and with a slight sweetness. Plenty of structure this year... and perhaps less perfumed than usual... lovely, juicy Muscat. — I.D.
