CELLAR SELECTION

JULY 2019

Intensely penetrating layers of sweet spice, vanilla and smoke lend an unabashedly flashy demeanor to this unusually opulent Northern Rhône Syrah. Matured in 100% new oak, it will need some time in the cellar to allow its core of ripe blackberry and plum flavors plus nuances of mint and bramble to peek through. It's quite decadent now but should ease up a bit from 2023. – A.I.
