HOT WINES; Offers a gorgeous beam of dark plum, boysenberry and blackberry puree flavors, which stretch out assuredly over a range of warm cast iron, juniper and violet notes. Features a steady hum of latent energy, thanks to the iron note that reverberates through the finish....—J.M.

... Offers mineral-kissed, bitter cherry, blackberry and fruitcake flavors that show superb depth and are supported by a core of juicy acidity. The spicy note recurs on a strikingly long, chewy finish that displays youthful tannic grip and lingering suggestions of licorice and candied flowers....—J.R.
